

Woody Boogie

Baltimora

Every time she looks at me
I can feel electric heat
All right, all right
Shiny sparkle in your eyes,
I keep moving in disguise
All right, all night

I am losing my control
May be time to take a hold
Tonight, all right
Body spinning all around
Don't know if I'm up or down
I'm on fire

Woah-woah
Breaking up the night, oh-oh-oh
Shaking up the night, oh-oh-oh
Breaking up the night, oh-oh-oh
Come on it's time to hit the floor
You can be sure you won't get bored

Woody Woody Boogie
Woody Woody Boogie
Woody get down tonight
Woody get down tonight
We're on the go, woah-oh
Woody Woody Boogie
Woody Woody Boogie
Woody get down tonight
Woody get down tonight
We're on the go, woah-oh

Woody, Woody, Woody Boogie
Woody, Woody Boogie
Woody get down tonight
We're on the go, woah-oh
Woody, Woody, Woody Boogie
Woody, Woody Boogie
Woody get down tonight
We're on the go, woah-oh

People jumping in the air
Going crazy everywhere
All right, all right
I keep staring at her face
When the clock begins to race
All night, all night

I am losing my control
May be time to take a hold
Tonight, all right
Body spinning all around
Don't know if I'm up or down
I'm on fire

Woah-woah
Woody, Woody Boogie

Woody, Woody Boogie
Woody get down tonight

We're on the go, woah-oh
