Balu Brigada

Oh, darling, do you even like how I operate or
Do you just hang around 'cause it's more convenient? Yeah
I'm only asking because it's kinda late right now and
If it's not obvious I, I drank a couple down

I'm always questioning all the motivations
And I know it's not productive
But I just hate the thought that you would love me out of habit
when you're

You're too fuckin' good to me
You're too fuckin' good to be true

I kinda can't believe that, that you're not sick of me yet
I dig these holes and I can't make it back out of them, oh
Remember when I was sick, could have got rid of me then
Instead you hung around until I found my feet again

It's so nostalgic, yeah, when I think about it
And I know it sounds dramatic, yeah, but
And only you could ever love me at my lowest because

You're too fuckin' good to me
You're too fuckin' good to be true

I over-analyse and complicate my situation
For someone who writes a lot, I'm not so good at communicating
I suck at metaphors, so I can't find the double meaning
I guess it's not that hard, so I'll just go ahead and say it

You're too fuckin' good to me
You're too fuckin' good to be true

I over-analyse and complicate my situation
For someone who writes a lot, I'm not so good at communicating
I suck at metaphors, so I can't find the double meaning
I guess it's not that hard, so I'll just go ahead and say it
