

Another Day

Balu Brigada

I guess I'll just go home
I guess that it's okay
I never saw this working out between us anyway
I think I need you here
Six words I never say
Loneliness is living on to see another day

Lost in the crowd
Lost in the weeds
Being so cautious
Planting the seeds
It's not what I wanted
To leave it alone
But I let it be
I let you leave, yeah

Ooh
The dreams that I thought you could co-sign, mm

I guess I'll just go home
I guess that it's okay
I never saw this working out between us anyway
I think I need you here
Six words I never say
Loneliness is living on to see another day
To see another day

(Oh-oh, oh-oh, oh-oh)
To see another day
(Oh-oh, oh-oh, oh-oh)
To see another day

(Yeah)
Caught in a dream
Losing momentum
Run out of steam
Who would have thought you'd be the one to intervene?
But I should have been there, if only, yeah

Ooh
The dreams that I thought you could co-sign
Taking the fault when it's all mine, yeah
Ooh
It's all getting lost in the strobe light, mm

I guess I'll just go home
I guess that it's okay
I never saw this working out between us anyway
I think I need you here
Six words I never say
Loneliness is living on to see another day
To see another day

(Another day)
(Oh-oh, oh-oh, oh-oh)
(Oh-oh, oh-oh, oh-oh)
