

# Moon Man

Balu Brigada

Yeah, yeah

Shakin' hands with the crowd, actin' like a politician  
Yeah, I was talkin' to the girl with the candy-colored lipstick  
I circle back around the room hopin' nobody would notice  
But they noticed  
Well, I've been orbitin' your love, goin' circles in a spaceship

Spendin' up all my time just thinkin'  
How can I keep my world from spinnin'?  
I cannot come back down until I do

So I'll be your man on the moon (Ah-ah, ah-ah)  
I'll be your moon on the moon (Ah-ah, ah-ah), yeah  
If I can't get closer to you (Ah-ah, ah-ah)  
Can I be your man?  
(Be your man)

I tried to make it back down, but I couldn't stick the landing, yeah  
Why these guys wanna talk? They speak another language  
Don't understand it

Spendin' up all my time just thinkin'  
How can I keep my world from spinnin'?  
I cannot come back down until I do

So I'll be your man on the moon (Ah-ah, ah-ah)  
I'll be your moon on the moon (Ah-ah, ah-ah), yeah  
If I can't get closer to you (Ah-ah, ah-ah)  
Can I be your man on the moon? (Ah-ah, ah-ah)  
(Your man)

(Your man)

I cannot keep myself from spinnin'  
I cannot keep myself from spinnin'  
I cannot keep myself from spinnin'  
I cannot keep myself from spinnin'  
I cannot keep myself from spinnin'  
I cannot keep myself from spinnin'  
I cannot keep myself from spinnin'

So I'll be your man on the moon (Ah-ah, ah-ah)  
I'll be your moon on the moon (Ah-ah, ah-ah), yeah  
If I can't get closer to you (Ah-ah, ah-ah)  
Can I be your man on the moon? (Ah-ah, ah-ah)  
(Your man)
