

# Into The Light Of 13 Dark Night

Balzac

Deep Inside  
The end of the dark  
Looking for the hope  
What I can see  
In the otherside  
I don't know how

Filling with hatred and violence  
Filling with pressure and violence

No break down  
And I never give in  
No break down  
And I never give in

Now  
I looking for truth in my arm
