

No Resistance

Balzac

No resistance
Nobody's there
No resistance
Psycho 68

No resistance, No resistance.
I don't care
Screaming late at the night
I've got something to say
I know what to do
No resistance, No resistance.
I don't care!

No resistance
Nobody's there
No resistance
Psycho 68

No resistance, No resistance.
I don't care
Screaming late at the night
I've got something to say
I know what to do
No resistance, No resistance.
I don't care!

I get find my way
I take dear one?
1968
Because I know when
You're the one of my love
