

SPIRAL

Balzac

Shut down (x6)
Now, everything's shut down

Break down (x6)
Here, nothing but break down

ソシテソコデキズキハジメル (soshite soko-de kizuki hajimeru)
And that is where I first took notice
コノセカイイガイトムジウ (kono sekai-igai-to mujou)
The cruelty beyond this world
ソシテココデ Kurikaeshiteru (soshite koko-de kurikaeshiteru)
And then here it's repeating
エイエンツスズキラセンコンラン (eien-tsuzuku, rasen-konran)
The eternal spiral of confusion
You just won't be waiting here (x4)

Destroy (x6)
Now, everything's destroyed

ソシテココカラツキススメル (soshite koko kara tsuki susumeru)
And then charging through from here

コノセカイイガイトイケル (kono sekai-igai-to ikeru)
I can live beyond this world
ソシテサベテ Kurikaeshiteru (soshite subete kurikaeshiteru)
But then it happens again
エイエンツスズキラセンメイキュウ (eien tsuzuku, rasen meikyuu)
This eternal spiral labyrinth
And this is to your warning (x4)

The Wall
Break through the wall (x3)

And You
Look to the future (x3)
