BamBam

Miwohaesseotjyo  
Just before you left me with a broken heart  
"Please do not forget me when you go"  
Malhaetdeon I was a little boy  
I'm still waiting even tho it's way too long  
Foolish to think that you would ever come  
Ijen kkeuchirago  
Jukdorok wonmanghaedo No  
I'm still lovin your ghost

Mutgo sipjyo huhoehagineun halleunji  
Daeche wae apeuge natana in my dream  
If you hurtin like I'm hurtin that's enough  
Cause you know tryna live without you, it ain't easy  
Chueokjocha eopsi nal tteonaga my all  
Start it with you kkeuteneun nappun  
Ttodasi bol su itdan huimang ttawin sadness
