

LAST PARADE

BamBam

Run it, run it, get it
Keeping that wheels in motion (Motion)
Daeji wireul ullin
Flowing that wave like ocean (Ocean)
Every bad vibe, da explosion (Ooh)
Better get high on emotion (Yeah)
Nuneul tteumyeon, ya
Feel it, feel it, ya, ya

Every scene we walk up slowly
Naerichineun lightning
Everything I do it my way
Feel like I'm a lion
Shout out, make it louder
Sel su eomneun crowd
Everything look like a movie
Everything under bamesis, ya

We're not going down, down, down, down, down
We got that energy
We got we got that energy, go
We're not going down, down, down, down, down
We got that energy
We got we got that energy, go

Yeah, last parade
Eh-ah, eh-ah, oh
Eh-ah, eh-ah, oh, woh
Eh-ah, eh-ah, oh
Last parade (Hey)

Make it feel like the last parade
Every scene, every scene that we make
Feeling the sound of black and red
Last parade, last parade
Make it feel like the last parade
Every scene, every scene that we make
Feeling the sound of black and red
Last parade, last parade

Nothing takin' control of me
Gotta set me free in Bamesis
Everything looking like fantasy
When it's you and me
We are masterpiece
Rampage parade
Let's stay, let's be the last to leave
Black shades, red rage
Let's make this night eternity

Shout out, make it louder
Sel su eomneun crowd
Everything look like a movie
Everything under Bamesis, ya

We're not going down, down, down, down, down
We got that energy

We got we got that energy, go
We're not going down, down, down, down
We got that energy
We got we got that energy, go

Yeah, last parade
Eh-ah, eh-ah, oh (Yeah)
Eh-ah, eh-ah, oh, woh (Yeah, yeah)
Eh-ah, eh-ah, oh
Last parade (Hey)
