

# I Wanna Be Wild

Bambee

I wanna be wild  
I want to live my life the way, the way that I want  
I wanna be wild  
Girls really wanna have some fun, to be on the run

I wanna be wild  
I wanna be wild  
The way that I want  
I wanna be wild  
I wanna be wild  
To be on the run  
I wanna be wild

I'm gonna be selfish, I'm gonna be wild  
I will do everything, and act like a child  
To get some attention, to get that look  
I will do everything to get you on the hook

I'm gonna go crazy, I'm gonna go mad  
I will do everything that makes me bad  
It doesn't matter, it's all allowed  
In love and in war

I wanna be wild  
I wanna be wild  
The way that I want  
I wanna be wild  
I wanna be wild  
To be on the run

I wanna be wild  
I want to live  
I wanna be wild  
The way that I want  
I wanna be wild  
Girls really wanna  
I wanna be wild  
To be on the run  
I wanna be wild

I'm going to party, I'm going to dance  
I will do everything if I get the chance  
You tease me and please me, come give me a kiss  
I know what you want

I wanna be wild  
I wanna be wild  
The way that I want  
I wanna be wild  
I wanna be wild  
To be on the run

I wanna be wild  
I want to live  
I wanna be wild  
The way that I want  
I wanna be wild

Girls really wanna  
I wanna be wild  
To be on the run  
I wanna be wild

I'm gonna go crazy, I'm gonna go mad  
I'm gonna go crazy, I'm gonna go mad  
I'm gonna go crazy, I'm gonna go mad  
I'm gonna go crazy!

I wanna be wild  
I wanna be wild  
The way that I want  
I wanna be wild  
I wanna be wild  
To be on the run

I wanna be wild  
I want to live  
I wanna be wild  
The way that I want  
I wanna be wild  
Girls really wanna  
I wanna be wild  
To be on the run  
I wanna be wild

I want to live  
I wanna be wild  
The way that I want  
I wanna be wild!
