

Bye Boy

Bambie Thug

Haha

You can't keep me down, I'ma thrive, watch me live
Me, oh my, I survived all your shit
I won't compromise on my life for no dick
Go and get some game, I'm not playing with a glitch
Fuck your daddy issues, trigger trauma in your brain
Stay out of my slip stream, we are not the same
You're old meat, I'm eatin' other prey
Avoiding you, I'd rather put my pussy through the plague

Stay away from me, I don't want your fucking kabinosi
Fuck apologies, I got other men performin' for me
How I used to be, ain't the one you see when looking at me
Woah

Bye, bye, bye, bye, boy
Bye, bye, bye, bye
Bye, bye, bye, bye, boy
Bye, bye, bye, bye

It's the sound of a score worth settlin'
Boy, there's gotta a reckonin'
Teeth filed like a beast menacin'
Take you out of body with a kiss like ketamine

Your ego's way too big for your head
I'm not tryna make amends, we're not breaking no bread
But I'll give you some advice for the future ahead
You should learn to use your tongue since you're average in bed
I'm-I'm-I'm-I'm a prime rib specimen, rare beef venison
Swinging like a spider monkey, junkie for adrenaline
Like to be pleased and I like to do the pleasuring
Take you out of body with my kiss like ketamine

Ki-kiss like ketamine
Ki-kiss like ketamine
Ki-kiss like ketamine
Kiss like ketamine

Stay away from me, I don't want your fucking kabinosi
Fuck apologies, I got other men performin' for me
How I used to be, ain't the one you see when looking at me
Woah

Bye, bye, bye, bye, boy
Bye, bye, bye, bye
Bye, bye, bye, bye, boy
Bye, bye, bye, bye

It's the sound of a score worth settlin'
Boy, there's gotta a reckonin'
Teeth filed like a beast menacin'
Take you out of body with a kiss like ketamine

Kiss, kiss like ketamine
Kiss, kiss like ketamine

Ki-kiss like ketamine
Kiss like ketamine
Ki-kiss like ketamine
Kiss, kiss like ketamine
Kiss, kiss like ketamine
Kiss like ketamine
