

Little Less Drunk

Bambix

Well. this girl. she told me we went out
She told me it was way past midnight
Right before bedtime
She said that we were kissing
And maybe even more
And that she dragged me for that Fab.D song
Right onto the dance floor
Said I spilled dsome beer and that she licked it off
Oh it must have been an evening full of love

So tell me baby - Is it ok that maybe
We can do it all over again
Just to make sure baby
That this time. maybe
I'll ge a little less drunk

Well. this girl. she told me we went out
She told me it was way past bedtime
Right before sunlight
She said that we were kissing
And maybe even more
And that she hlped me when I passed out
Right onto her kitchenfloor
She said it threw uo my tea
And that she licked it off
Oh it must have been an morning full of love
