

Fail

Bananafishbones

Somebody stake when you know she has got to go
away

And my heart is aching, it is breaking apart
It is breaking apart for you the one I olve

And like a mouse that tries to catch the cat
like a dog that runs to fast gets hit by a car
your power destroyed, my evil heart,
now I find my self apart.

I don't want to be like you
I don't want to be like you, you, you
Well, I never wanted you to be like me,
Never wanted you to see what I see,
I never wanted you to be like f**king me.

Days past, I was happy
Weeks passed and I lied
Month passed and it felt like I want to die.

When you talk of a girl
When you talk of a skirt
When you talk of a can
Talk of a woman
Never forget that woman is a heart
That woman is a soul,
That woman is a brain
That woman is insane
It's just that stupid, stupid game
All over again I don't wanna be caught in that
stupid frame
It's not a game, she says,

I don't want to be like you
I don't want to be like you
Well, I never wanted you to be like me, never
wanted you to see what I see,
I never wanted you to be like f**king me

Days past, I was happy
Weeks passed and I lied
Month passed and it felt like I want to die.
