

Really Saying Something

Bananarama

Hey yeah yeah

I was walking down the street
When this boy started following me
Now I ignored all the things he said
He moved me in every way

With his collar unbuttoned
On my side he was struttin'

He was really saying something
Really saying something
Bop bop shoo be doo wah
Bop bop shoo be doo wah

He flirted every step of the way
I could hear every word he'd say
My resistance was getting low
And my feelings started to show

My heart started thumping
Blood pressure jumping

He was really saying something
Really saying something
Bop bop shoo be doo wah
Bop bop shoo be doo wah

He walked me to my door
I agreed to see him once more
Lady like it may not be
But he moved me tremendously

Although he was bold
My heart he stole

He was really saying something
Really saying something
Bop bop shoo be doo wah
Bop bop shoo be doo wah
