

Superhero

Banaroo

I'll be your superhero
I'll will never let u down
I ll be there when u need me call me
I ll always be around

Verse one

beneath my wings rest your head
I will cover you
If your lost and alone
I will rescue you
With your faith and your trust
We re invincible
I'll be your hero
you are the one who knows my secret
that i lead a double life
you understand i have a mission
but everything is still alright
verse two

to the sky i will fly
if u ask me to
if your lost in the dark
i will bring light to you
with my hand on your heart
ill be there for you
i'll be your hero
if you need me i ill save you
know these words I say are true
and even if Im' on my journey
Il'l still be there for you

C-Part

I have searched through the universe
For someone just like you
You're so amazing in every way
And in everything you do
