

The Miracle Of You

Banaroo

Bring me the miracle of you
Sing, Baby Blue
Bring me the miracle of you
All my dreams come true

You're my sweet temptation
Joy and inspiration
Tell me, I'm your Baby
There will be no "maybe"

Bring me the miracle of you
Sing, Baby Blue
Bring me the miracle of you
All my dreams come true

I need your confession
Show me your obsession
You will be my hero
I won't cry a tear, no

Bring me the miracle of you
Sing, Baby Blue
Bring me the miracle of you
All my dreams come true
