Lies In Your Eyes

Banco del Mutuo Soccorso

Laughin', hiding a bad face givin', yourself no disgrace it'll change tomorrow
rearrenge tomorrow again this time is your time but, then your lie is my lie
it'll change tomorrow rearrange tomorrow
lies in your eyes, lies in your eyes trying all the time to get over
lies in your eyes, lies in your eyes trying all the time to get over
taking, no time for your life giving, answers that are right
it'll change tomorrow rearrange tomorrow.
lies in your eyes, lies in your eyes trying all the time to get over
lies in your eyes, lies in your eyes trying all the time to get over
you're bad, you know it too sad you show it
lies in your eyes, lies in your eyes trying all the time to get over
lies in your eyes, lies in your eyes trying all the time to get over...
