

## Weed Party

Band of Horses

I got you arrested because  
Are you come or gone  
I am about to set this off  
The party is done  
The wine is there to keep yourself  
You got it wrong  
So I brought you plenty thoughts  
Words were at a loss  
It's a good day to skip because  
The party is gonna call  
The wine there t keep yourself  
But don't you ever listen at all  
The parents are enforcing the law  
The wine is there to keep yourself  
But don't you ever listen at all  
The parents are enforcing the law
