

I Know What I Am

Band of Skulls

High ho,
Triple sow cow,
I got a feeling like I'm tired of the flow
But I know what I am,
They know what they are
So let me be

Gasoline
Saccharin,
I got no reason for the state I'm in
But I know what I am,
They know what they are
So let me be

Hotel,
Taco Bell,
I got the hit that you know damn well,
But I know what I am,
They know what they are
So let me be

Cut, Tease,
Better believe,
I got the feeling that I'm underneath,
But I know what I am,
They know what they are
So let me be

But it's alright,
It's okay,
I got the time
But the time don't pay
But it's alright,
It's okay,
I got the time
But the time don't pay
It's alright,
It's okay,
I got the time,
But the time don't pay
It's alright
It's okay.

Flick flack,
No slack,
I got the with that my enemies lack,
But I know what I am,
They know what they are
So let me be

Trick some,
Just begun,
Giving you more when you only want one,
Cause I know what I am
They know what they are
So let me be

Ship shape,
Ticker tape,
Looks to me like a narrow escape,
But I know what I am,
They know what they are
So let me be

I know what I am,
They know what they are
So let me be
I know what I am.
I know what I am,
They know what they are
So let me be
I know what I am.
I know what I am,
They know what they are
So let me be
I know what I am,
They know what they are
So let me be
I know what I am,
They know what they are
So let me be
I know what I am,
They know what they are
So let me be
