

Dont Leave

Bandit Gang Marco

Leave, leave alright, I'm a man, Gina
I'ma be alright, this is childish
I want you out, I don't even know why you still here
Step! Step!

Why the fuck you come here in the first place if you just gone go?
Bae, how you just gone run to third base without letting me know?
Baby, I wont fall back without letting you know
She got her heart on her sleeve, and not letting it show

Know how you get attached when you love something
We get it crackin' when you love on me
Feel like you lacking, but it's how love is
You ain't gotta worry, my love guaranteed
You know I'm there, bae, when you call on me
Know I'm fightin for my love
'Cause its all on me
So you just gone leave me hangin like that?
Tryna show you I want you girl

Baby don't leave, you're the one for me
I'll beg, I'll plead, baby, just stay
Baby, don't go, baby, don't go, baby, don't go

Uh, that's Bandit

Baby, don't walk 'round with that mugg, 'cause you too bad for that
Talkin' 'bout you done had enough, why you ain't tell me that? (Yeah)
Let me calm down them nerves and eat that cootie cat
Baby, let me be yo verb, your lil' action pack

Ha, Raf Simons, or Dior?
What's yo limit? She want more

Ha, girl you the finest in this world
So, don't be packin' up yo shoes, yo clothes, yo diamonds, and yo pearls

Baby, don't leave
Don't leave, don't leave, don't leave, don't leave
You're the one for me
Don't leave, don't leave, don't leave, don't leave
I'll beg, I'll plead
I plead, I plead, I plead, I plead, I plead, I plead
Baby, just stay
Baby, don't go, baby, don't go
