Shawty on that freaky shit, and I'm on as she do
Swear I'm gonna leave your body so for I can do
Step inside me room, turn off all the light
Why? Cause we gonn have sex tonight!
Aha, aha, uhu, aha, aha, aha, uhu,
Aha, aha, uhu, aha, aha, aha, uhu,
Shawty got my mind fucked up and shit
Aha, aha, uhu, aha, aha, aha, uhu,

I wonder what the hell she doing?
She put up in here around 9 o'clock, now my whole night's ruined
She don't get here in 5 minutes, I'm a assume that probably someone else she

Tell her let's get to it, bust it like Montana, when I hit it from behind
I'm a dig real deep, like I'm digging for gold,
She look like a centerfold, told Shawty go go, strike a pose
Fuck her till she feel in in her toes

It's time to lay down baby girl
I hope you on your freaky shit
Cause I'm on my freaky shit
Take it to the bedroom, hope you can take it
Love when you climb on top of me, you black
You know I love my dark girl

Shawty on that freaky shit, and I'm on as she do
Swear I'm gonna leave your body so for I can do
Step inside me room, turn off all the light

I'm laying on the sofa wondering when she coming over
So I called her up but she thought I wasn't sober
I had a couple drinks, I'm not thinking straight
I just know I hate sleeping alone
No drapes, just sway, hey let me lay your body down
I'm a lick, lick, lick you all around
Your body calling for me right, step inside my room
Cut off all the lights, we're gonna have sex tonight

Shawty on that freaky shit, and I'm on as she do
Swear I'm gonna leave your body so for I can do
Step inside me room, turn off all the light
Why? Cause we gonn have sex tonight!
Aha, aha, uhu, aha, aha, aha, uhu,
Aha, aha, uhu, aha, aha, aha, uhu,
