

FLOYD

Bandmanrill

Wait

Now they want me, they see I got money
When I step in the club, I'm throwin' them hundreds
Them hundreds they see how I'm commin
When I ride through newark, all black
With the window tinted, no time for runnin
But don't think I'm a bitch, I be on the track
I really got niggas, that's gunnin

Walk in the party I'm feeling like Floyd
Bend it over she shaking oh Lord
My niggas crazy, they slide with a sword
Sike, nah, big hammers thrower
Gave her the dick, got her banging for more
Skip to my [?]
Play with the gang get turned to a corpse
Fuck a hoster g, clock in the shorts

I'm the hottest, tell em niggas that I said it
Want you a feature, cash, check or debit
She catching feelings, blocked her when I read it
I'm the best, don't need no credits
Ain't about money, we gon' have to dead it
Bad lil rink, her pussy be the wettest
Love when she shake it down, I got a fetish
Went to the top, right where I headed

Ballin' on niggas, Kobe, wait
She suck me up, but ain't know me
Big nigga, but ilm boney
Sit on the dick, she ridin, pony, hah
Lil bro think it's a gang, so me
Couple niggas, that got aim, homies
They gon' pay me with ya brain, owe me
Did it al by myself, lonely

Said he gon' cook me, it gotta be kitten
Make what, called buddy aimin' for millions
Said you did what, heard you didn't
Call us the money team, always winnin
Bro he a atheist, always sinnin
[?] this the beginning
Swing me a wellie, bleu checks I'm printing
