Bandmanrill

Take control, and let me know  
'Cause I can't stay here, I need to go  
If I give you my name, I know I'm sure (About you)  
If you play them mind games, I'll show you the door  
I'm tryna learn from my mistakes, 'cause I know I only got one more chance  
I know you've been burned by all these games, I'm just tryna be a better man

I took chances, I let you go  
Can sense your heartache, don't scream no more  
'Cause I don't want to be the one that you choose  
I'd rather be the only one that you lose  
I'll stop lying, notice me  
Notice our love and our chemistry  
Wish I could feel back on your shoulder  
It's occupied by someone else

Think we can talk it out? Maybe  
Or we can talk about your daydreams  
Feels like a million miles between you and me  
So if you can go without it, I want you to leave  
I want you to leave

Shorty bad, [?] hella, she mine too, so you know she stay right on my side  
I told brodie to chill, we cannot lose  
We got money, we dealin' with pride  
Keep it on me, can't go out like that fool  
Niggas know we beefin' with that side  
Swing on 'Rilla, you know, and I got [?], shit bussin'  
Ain't talkin' all hot, on bro  
I told bro, "We next, just chill and stack that money up, on bro"  
Niggas be dickridin', don't know me  
Nigga, it's bummy up, on bro  
I told my niggas, "We bigger than this, can't give time to no ho's"  
Had to cut some niggas off  
Damn, my nigga, how could you fold?  
Know I'ma beat her back up, got her screamin', "Oh my God"  
Bitch, I'm the Bandman, yeah  
I made this shit, nigga, you boys is frauds  
I got too many ho's, we call 'em stracks, nigga, we don't say broads  
They said I wasn't gonna blow, huh  
Now look, I'm livin' large  
My bitch 'bout to get a Goyard  
Niggas, they hate 'cause I'm lit and got bars  
You is not safe, better play the right card  
I got some big shit, don't need a guard  
They say, "Bandman, you makin' it far"  
Look, I tell 'em, "I know, nigga"  
It's some niggas that's takin' my flow, nigga  
I'ma play it cool and really show niggas

Think we can talk it out? Maybe

Oh my God
