Me and Cali, we on Melrose
Stay away from the weirdos
Bad fits, we don't wear those
Shawty know I'm a real one

Thot box, heard you, I ain't fuckin' no opp blocks
I don't give a fuck, why didn't-
Girl you know, that's not how we rock-rock
Had you dripped out in Designer, Prada
Told me you proud of me
But the way that you move girl, shit, I know that you died to me, like
You supposed to have my baby
We supposed to see that lady
You know we grew up crazy
I got them trust issues, I put my trust in you
You see what trust can do?
I gave you all I had, and that was not enough for you

They sippin', I won't
Like, they do it, I won't
Like, what would you do, when you ran out of dope?

Like, Weirdo
Lost myself to a weird ho
Put my heart on the line, and fuck it, there it go
Weirdo
Lost myself to a weird ho
Put my heart on the line, and fuck it, there it go

Stay away from the weirdos
Bad fits, we don't wear those
