Y'all niggas-, fuck it, now we gon' smoke on JayRip
When we upped it had them runnin' Rick
Shit crazy, I done seen real niggas switch
'Member my brothers since I was a jit

I'ma throw up the O, even when I get rich
On gang, y'all niggas pussy
I can't go out like Naz I can't let niggas book me
Chico came home tryna fuck on your bitch
I'ma throw up the O, even when I get rich
On gang (Ayy), y'all niggas pussy (Look)

Can't go, can't let niggas pluck me
How that's yo bitch and that bitch want to fuck me?
On the ground, giving the yuckys
Glad I made it, I'm knowin' I'm lucky
Wait, know that I keep me a gunny
He played, one to the tummy
