

Rock Rebellion

Bang Camaro

Fists up
If you believe in us
Fists up
If you are one of us

We know it starts tonight
We know the time is right
You know that we've become
All that's been undone

We're not our father's sons
We are the chosen ones
We will defeat the light
Rebellion starts tonight

Lights out
Let the power guide you
Lights out
Let us be your guide

We know it starts tonight
We know the time is right
You know that we've become
All that's been undone

We're not our father's sons
We are the chosen ones
We will defeat the light
Rebellion starts tonight

We are all the victims
But we've found our way
Penetrate the pain
And you will hear us say

Whoah-oh-oh-oh-ah-oh
Whoah-oh-oh-oh-ah-oh
Whoah-oh-oh-oh-ah-oh
Whoah-oh-oh-oh-ah-oh

We're not our father's sons
We are the chosen ones
We will defeat the light
Rebellion starts tonight
Oh, yeah!
