

Too Fast to Fall in Love

Bang Camaro

Here we go

We live to rock
But we gotta roll
This slow lovin' steals our
Soul

(Too fast to fall)
In love
(And throw it all)
Away
(Against the wall)
We will not slow down today

(Too fast to fall)
In love
(And throw it all)
Away
(Against the wall)
No, we will not slow down

We live to rock
But we gotta roll
This slow lovin' takes its
Toll

(Too fast to fall)
In love
(And throw it all)
Away
(Against the wall)
We will not slow down today

(Too fast to fall)
In love
(And throw it all)
Away
(Against the wall)
We will not slow down today

(Too fast to fall)
In love
(And throw it all)
Away
(Against the wall)
We will not slow down today

(Too fast to fall)
In love
(And throw it all)
Away
(Against the wall)
No, we will not slow down
