You are awesome Flying in my eyes You must wait Your life will float away You must wait Your life will float away Why can't life be As simple as the sun? (You must wait Your life will float away) Why can't life be As simple as this song? (You must wait Your life will float away) Why can't life be As simple as the sun? (Repeat 2xs) (Most people are like boats When they're on top They have something It doesn't matter Just forget it right away They say I will remember... Just to never let me be ) As simple as this song?
