I'll Never Be Through with You

The Bangles

I'll never have you completely
But somehow I don't care
I don't want to give up this feeling
Deep as the ocean
Floating on air

And I wish you could love me
Like I love you
And I wish you would leave me
But I'll never be through with you

Say goodbye
And I will let you go
Darling
I will never be through with you

You'll never see me crying
No you won't taste my tears
'Cause you slip away in the darkness
Before the morning light
Makes this heartache clear

And I wish you would want me

Like I want you
And I wish you'd believe me
That I'll never be through with you

Say goodbye
And I will let you go
Darling
I will never be through with you

And I wish you could love me
Like I love you
And I wish you would leave me
But I'll never be through with you

Say goodbye
And I will let you go
Darling
I will never be through with you
No, no never be through with you
I will never be through with you
