Roses

I walked in the corner with the body screaming dolo
Never sold a bag but look like Pablo in a photo
This gon' make 'em feel the way like Tony killed Manolo
You already know though, you already know though
I walk in the corner with the money, on my finger
She might get it popping, I might wife her for the winter
I already know, already know, roses
All I need is roses

Turn up baby, turn up, when I turn it on
You know how I get too lit when I turn it on
Can't handle my behavior when I turn it on
Too fast, never ask, if the life don't last
Done been through it all
Fuck with a man raw, this who you wanna be
And I know you won't tell nobody nothing
And I know you won't tell nobody no

Roses

I might pull up flexing on these bitches like aerobics
I might tell her girl you cute but balling
That shit gorgeous
Standing on the table, Rosé, Rosé, fuck the waters
You know who the God is
You know who the

Turn up baby, turn up, when I turn it on
You know how I get too lit when I turn it on
Can't handle my behavior when I turn it on
Too fast, never ask, if the life don't last
Done been through it all
Fuck with a man raw

I might bring them girls and come to dance, oh lord it's overs
I might bring them strippers out and tell 'em do it pole-less
You already know, already know, fucking roses
Kill 'em, make it...

Turn up baby, turn up, when I turn it on
You know how I get too lit when I turn it on
Can't handle my behavior when I turn it on
Too fast, never ask, if the life don't last
