

Fuck Love

Banks

I'll be on the road when you want it
Kiss me on the go if you want it
Don't say I'm your only
Don't say I'm the only one you're waiting on
I don't need your coat 'cause I'll throw it away
Don't give me a rose, I don't want it
Don't say I'm your only
Don't say I'm the only one you're waiting on

Sneak up on me out of lust
Lucky something's good enough
Tell me one thing I don't know
If this is what you got
This ain't what I want, yeah

Pull It up and park it slowly
I'ma get it
The way I like it on me
I can do it better
See me better lonely

I don't know shit about love
I keep on fucking it up
Anything about love
Don't want to think about it
I'd rather drink about it
This is what I think about love
I could chuck it and let the liquor pick it up
Anything about love
Don't want to think about it
Don't know a thing about it

You gave me a goal and I shot it
I don't need a throne 'cause I got it
Say you wanna hold me
I don't need to lean, I got a back bone
I don't need a catch 'cause I throw it away
Don't give me a heart, I don't want it
Don't say I'm your only
Don't say I'm the only one you're waiting on

Sick of salt, I'm sugared up
Not your fault I'm sweet enough
I don't want that cookie cut
'Cause you owe me a cut from the way I build you up

Pull It up and park it slowly
I'ma get it
The way I like it on me
I can do it better
See me better lonely

I don't know shit about love
I keep on fucking it up
Anything about love
Don't want to think about it
I'd rather drink about it

This is what I think about love
I could chuck in and let the liquor pick it up
Anything about love
Don't want to think about it
Don't know a thing about it
