Goddess

She gave it all You gave her shit She coulda done just anything Or anyone Cause she's a goddess You never got this

You put her down You liked her hopeless To walk around Feeling unnoticed You shoulda crowned her Cause she's a goddess You never got this

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah it's colder colder Fuckin' with a goddess and you get a little colder

Finally surfaced Above the downs Feeling her boldest She came around Cause she's a goddess Finally saw this

And and now your back Trying to claim her cause she is gone And now without her you all alone Cause she's a goddess you shoulda saw this

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah it's colder colder Fuckin' with a goddess and you get a little colder

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah it's colder colder Fuckin' with a goddess and you get a little colder

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah, colder, colder Fuckin' with a goddess and you get a little colder
