

In Your Eyes

Banks

Love, I get so lost, sometimes
Days pass, and this emptiness fills my heart
When I want to run away
I drive off in my car
But whichever way I go
I come back to the place where you are

All my instincts, they return
And the grand facade, so soon will burn
Without a noise, without my pride
I reach out from the inside

In your eyes
The light the heat
I am complete
I see the doorway, to a thousand churches
The resolution, of all the fruitless searches
Oh, I see the light and the heat
I want to be that complete
I want to touch the light the heat I see in your eyes

Love, I don't like to see so much pain
So much wasted and this moment keeps slipping away
I get so tired of working so hard for my survival
I look to the time with you to keep me awake and alive
