

Look What You're Doing to Me

Banks

Why don't you tell me you love me too?
Why did you sell me on that thing you do?
Why every single December I'm waiting on you?
Why you just looking me over?

Giving me why's
Keep giving me why's, no
Tell you enough
Then you give me one more
Heavenly eyes, I'm dying for
Why you just looking me over?

Look what you're doing to me (I don't mind)
Look what you're doing to me
Ooh your love is better than I remember
And why did you leave off, me loving you?
Why you just looking me over?
Look what you're doing to me
And look what you've done, look what you've done
You're looking me over
Ooh your love, it's better than I remember
Heavenly eyes
Why don't you, don't you just notice?
And why did you leave off, me loving you?
You're taking me over
Why you just looking me over?
Heavenly eyes, heavenly eyes

Scope
You said none left when I gave you hope
I light up when you come home
If you leave you'll be sorry

Giving me eyes
Keep giving me eyes, no
Tell you enough
Then you give me one more
Heavenly eyes, I'm dying for
Oh, I'm losing my world
Why you just looking me over?

Look what you're doing to me (I don't mind)
Look what you're doing to me
Ooh your love is better than I remember
And why did you leave off, me loving you?
Why you just looking me over?
Look what you're doing to me
And look what you've done, look what you've done
You're looking me over
Ooh your love, it's better than I remember
Heavenly eyes
Why don't you, don't you just notice?
And why did you leave off, me loving you?
You're taking me over
Why you just looking me over?
Heavenly eyes

Okay, don't cry
I'm looking you over
You know you're giving me the thing
You're taking my only
You're taking my only
You're taking my only
You're taking my only
I don't mind

Look what you're doing to me
Look what you've done
You're looking me over
Ooh your love, it's better than I remember
Heavenly eyes
Why don't you, don't you just notice?
And why did you leave off, me loving you?
You're taking me over
Why you just looking me over?
Heavenly eyes, heavenly eyes
Look what you're doing to me
Look what you're doing to me
Look what you've done
You're looking me over
Ooh your love, it's better than I remember
Heavenly eyes
Why don't you, don't you just notice?
And why did you leave off, me loving you?
You're taking me over
Why you just looking me over?
Heavenly eyes
Why you just looking me over?
