The Devil

Banks

I'm the devil and I speed with the pedal on the gas
And I think I like a fast life better now
I'm the devil, did they tell you I'm the devil?
Put your faith in another life past

Someone write my new name down
Someone write my new name down
Someone write my new name down
Someone write my new name down

Way down I go
Got a one-way ticket and the devil waiting
Call from down low
Naïve I know

Pu-pu-pu-pull me back down through the fire
Write my name down for the hire
I hear the bones in the devil retired
So someone write my new name down
Cuz I'm the
DEVIL

I'm the devil and I speed with the pedal on the gas
And I think I like a fast life better now
I'm the devil, did they tell you I'm the devil?
Put your faith in another life past

I'm the devil and I speed with the pedal on the gas
And I think I like a fast life better now
I'm the devil, did they tell you I'm the devil?
Put your faith in another life past

Rectified while feeding me for lying
And it taste so good
Two on my shoulder
One of em right
Black and the white
Certified- I ain't the nice one

Pu-pu-pu-pull em back all the opinions
I ain't really bothered and it taste so good
And you liking me ain't something I desire
So someone write my new name down
Cuz I'm the
DEVIL

I'm the devil and I speed with the pedal on the gas
And I think I like a fast life better now
I'm the devil, did they tell you I'm the devil?
Put your faith in another life past

I'm the devil and I speed with the pedal on the gas
And I think I like a fast life better now
I'm the devil, did they tell you I'm the devil?
Put your faith in another life past

I go

Way down
Cuz I'm the
DEVIL now
I go
Way down
I go
Way down
Cuz I'm the
DEVIL now

Cuz I'm the
DEVIL now

Cuz I'm the
DEVIL now
