

Under The Table

Banks

It already started.
I tried to stop it, but I already know.
You are something I should do without,
but I won't.
I'm under the table.
Just keep wishing I'll come out but I don't.
You are something I should do without,
but I won't.

Please, tell me that this could be easy.
I'm tired of waiting for permission to love.
Heartbreak is your game, but I'm learning.
My heart could be yours, won't you make it your own?

I'm already falling.
I couldn't help it, didn't think of the risk.
I've got a problem, problem when I look in your eyes.
You're mine and you know it.
I'd still do it even if we were cursed.
Won't you be my problem, it's okay with me if it hurts.

Please, tell me that this could be easy.
I'm tired of waiting for permission to love.
Heartbreak is your game, but I'm learning.
My heart could be yours, won't you make it your own?

Please, tell me that this could be easy.
I'm tired of waiting for permission to love.
Heartbreak is your game, but I'm learning.
My heart could be yours, won't you make it your own?

Please, tell me that this could be easy.
I'm tired of waiting for permission to love.
Heartbreak is your game, but I'm learning.
My heart could be yours, won't you make it your own?
