

# If I Didn't Have You

## BANNERS

I've been building a house  
I filled it with all the things that I could live without  
I've been thinking about  
How the walls come down  
And the ceiling crashed around my feet  
Broken on the ground  
Was nothing that really mattered to me

Yeah yeah

And now I see that it's you I needed all along  
Maybe I'm too late and don't it always seem to go  
I'll be breaking in two  
I don't know what I'd do

If I didn't have you  
If I didn't have you  
Thought I had nothing to lose  
But that's not the truth  
I don't know what I'd do  
If I didn't have you

Even as the words came out  
As they fall I wanna take them back  
I know I let you down  
And it's all that I've been thinking about  
I get I messed it up  
Like I was far too close to see  
Now I know that this  
Is all that really matters to me

Yeah yeah

And now I see that it's you I needed all along  
Maybe I'm too late and don't it always seem to go  
I'll be breaking in two  
I don't know what I'd do

If I didn't have you  
If I didn't have you  
Thought I had nothing to lose  
But that's not the truth  
I don't know what I'd do  
If I didn't

I swear time's so slow now I  
Face it all on my own and I  
Can't do this alone, if I  
If I didn't  
Say I'm sorry, love, 'cause I  
Know I made you feel like I  
Don't need you, like I could survive

If I didn't have you  
If I didn't have you  
Thought I had nothing to lose  
But that's not the truth

I don't know what I'd do

If I didn't have you  
If I didn't have you  
Thought I had nothing to lose  
But that's not the truth  
I don't know what I'd do

If I didn't have you  
If I didn't have you  
If I didn't have you  
If I didn't have you
