

Let Go

BANNERS

All I was a shadow of
You tell me you love me then you bring me to my knees
Torn away, fall from grace
The water will rise, wash all your lies out to sea

So why did you take my heart?
My heart

Let go, let go
Into the unknown
Let go and God only knows
I won't let go

Wicked games and I'm your slave
If you don't love me then why don't you set me free?

So why did you take my heart?
My heart

Let go, let go
Into the unknown
Let go and God only knows
That I won't let go

High water and the levee's breaking
(High water and the levee's breaking)
And I tried but it's not worth saving
(I tried but it's not worth saving)
Sure lights and I just might make it
Sure lights and I just might make it home
And I won't...

Let go, ah
Let it go, oh
Let go, oh, no
Whoa, oh
Whoa, oh
