

Enough

bAnoffee

Nothing makes me feel like this
I sick oh I feel shit
Telling myself I should be okay
I wake up with pillows wet
Salty cheeks when you're not here
Set alarms just to sleep through day

How many times do I have to ask you?
I wish I didn't have to ask
I wish you just knew
How many times are you gonna freak out when we argue?
I wish I didn't have to ask
I wish, I wish I didn't have to

You don't love me enough
I wish you were here
Telling me to just shut up
You don't want it enough
All I want you tell me is just too much

I feel like an idiot
I should leave but I won't get
No I'm just too weak but
I'm starting to see

Just tell me to shut up
Come home
You're not believing enough
Just tell me to shut up
Come home
Say I'm wrong
Say I'm wrong that

You don't love me enough
You don't love me enough
You don't love me enough
You don't love me enough
You don't love me enough
You don't love me enough
You don't love me enough
You don't love me enough
You don't

Just tell me to shut up
Come home
Tell me to just shut up
I'll be good
You don't love me enough
Everything I want
Seems to be too much
You don't love me enough
You don't want it enough
You don't love me enough
