

# Got It

bAnoffee

Said you wanted to grow your hair long and then you cut your sides of  
f

I don't think I know you at all

I don't think I, I don't think I know you at all

When you walk alone in the park

Sometimes you get on the train and you just sit there 'til you get to  
the last stop

You called me up, once, when you were lost

I don't think I, I don't think I know you at all

You don't know me at all

I don't want to know you at all

When I look at you I see this

This picture of how we could be, cause I knew what you got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I know you know I got it

I know [?]

Why'd [?] with your hands in it

And how you know I wish you wouldn't smoke it

But how am I supposed to control it? (It, it, it)

How am I supposed to control it? (It, it, it)

Ooooh, ooooh

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I know you know I got it

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I know you know I got it

(Oh)

You know, I've got something

Wanna stick your teeth, teeth in

You know

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I know you know I got it

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I got it, I got it, I know you know I got

I got, I got, ooh, I know you know I got it
