You wanna test my muscles?
You wanna know how a hard girl cuddles?
You wanna see me when my temper heats?
I hit the bag like a Diplo beat
You wanna see how I lose my shit?
Get on up and let me throw a fit
Hold it, but you wanna test it?
Test my muscles like you're invested
You wanna test my muscles?
You wanna know how a hard girl cuddles?
You wanna see me when my temper heats?
I hit the bag like a Diplo beat
You wanna see how I lose my shit?
Get on up and let me throw a fit
Hold it, but you wanna test it?
Test my muscles like you're invested

Test my-, test my-, test my-, test my-
Test my-, test my-, test my-, test my-
Test my-, test my-, test my-, test my-
Test my-, test my-, test my-, test my-
My muscle-, my muscle-, my muscle-, my muscle-
My muscle-, my muscle-, my muscle-, my muscle-
My muscle-, my muscle-, my muscle-, my muscle-
My muscle-, my muscle-, my muscle-, my muscle-
Test my muscles
Test my muscles

I can listen to you
But you'll never hear, no, no
You're a bit stupid, you seem so lucid
But never sincere, ooh
You wanna talk to me
But your lips are closed, yeah
You're always behind me
Never inside of my frontal lobe

You wanna test my muscles?
You wanna know how a hard girl cuddles?
You wanna see me when my temper heats?
I hit the bag like a Diplo beat
You wanna see how I lose my shit?
Get on up and let me throw a fit
Hold it, but you wanna test it?
Test my muscles like you're invested

Test my-, test my-, test my-, test my-
Test my-, test my-, test my-, test my-
Test my-, test my-, test my-, test my-
Test my-, test my-, test my-, test my-
My muscle-, my muscle-, my muscle-, my muscle-
My muscle-, my muscle-, my muscle-, my muscle-
My muscle-, my muscle-, my muscle-, my muscle-
My muscle-, my muscle-

Do you wanna test my muscles?
Do you want a hard girl cuddle?

Get on up and make me throw it
I know you're invested, you just wanna test it
Do you wanna test my muscles?
Do you want a hard girl cuddle?
Get on up and make me throw it
I know you're invested, you just wanna test it

You wanna test my muscles?
Test my muscles

Do you wanna test my muscles?
Do you want a hard girl cuddle?
Get on up and make me throw it
I know you're invested, you just wanna test it

You wanna test my muscles?
