

# Oceans

bAnoffee

Kind of like oceans  
Kind of like oceans

Gotta have you wondering why  
I wish I had the money to fight  
I know, I try  
This is how it's gonna be for some time  
Damn  
I wish I had the money to fight

Kind of like oceans  
That's how you are  
Kind of like oceans  
That's how you are  
Holding my hand and  
Your body is so far  
Kind of like oceans  
That's how you are

Damn  
I wish I had the favor of time  
Man  
This is always how it is with my life, I tried  
Damn  
I wish I had the money to fight

Kind of like oceans  
That's how you are  
Kind of like oceans  
That's how you are  
Holding my hand and  
Your body is so far  
Kind of like oceans  
That's how you are

Said you're never gonna stop, don't want [x12]

Damn  
I wish I had the money to fight  
Damn  
I wish I had the money to fight  
Kind of like oceans  
Kind of like oceans, damn  
Oceans, oceans  
Gotta have you wondering why
