

CATCALLER

Banshee

I just wanna feel safe
Make this feeling go away
You just ruined my day
You just ruined my day

I just wanna feel safe
Make this feeling go away
You just ruined my day
You just ruined my day
I'm not gonna play this game
'Cause I'll never escape
I don't wanna feel this way
I don't wanna feel this way

Sometimes, I just wanna walk at night
Safe in my body outside
Sometimes, I just wanna see the fucking moon!
I don't wanna talk to you!
I don't wanna talk to you!

I just wanna feel safe
Make this feeling go away
You just ruined my day
You just ruined my day!
I'm not gonna play this game
'Cause I'll never escape
I don't wanna feel this way
I don't wanna feel this way!

Try and catch me with your bait
Look me in the fucking face
Tell me how I entertain
'Cause your life is down the drain!
Tell me my outfit's to blame
Tell me that we're all the same
I'm not gonna play this game
I'm not gonna play this game!
