

## CHAMBER

Banshee

You're lucky to be able  
To sit there and look at me  
I don't owe you anything  
I don't owe you anything  
You can come into my room  
But do not fucking touch me  
I don't owe you anything  
I don't owe you anything

I just wanna kiss and cuddle  
Do not push me, I'm unstable  
I will not be held responsible  
For how your body feels  
Do not fucking hurt me  
Or I'll go tell everyone about you  
If I feel the slightest bit of pressure  
Switchblade unconcealed

I just wanna kiss and cuddle  
Do not push me, I'm unstable  
I will not be held responsible  
For how your body feels  
Do not fucking hurt me  
Or I'll go tell everyone about you  
If I feel the slightest bit of pressure  
Switchblade unconcealed

You're lucky to be able  
To sit there and look at me  
I don't owe you anything  
I don't owe you anything  
You can come into my room  
But do not fucking touch me  
I don't owe you anything  
I don't owe you anything

You're lucky to be able  
To sit there and look at me  
You can come into my room  
But do not fucking touch me
