

Choke

Banshee

Cyanide in your holy water, choke
Cyanide in your holy water, choke
Self fulfilling prophecy
You're a fucking joke
Cyanide in your holy water, choke

Hotel bible on the dresser
Said you like to use protection
But there's no God that can save you
And there's no such thing as magic
Tryna find some other knowledge
Tryna find some way you're special
Blaming all your sins on demons
But there's nothing that can save you

Gotta make sure everyone knows you're so dark
Flexing on instagram
With the book of the law
Do what thou art
Cyanide in your water
Watch you choke
Cyanide in holy water
Watch you choke

Your existence is so boring
Everything is a binary
Everything has to have meaning
I hope when I die I'm nothing

God complex in the water
Watch him choke
Self-fulfilling prophecy
You're a fucking joke
Cyanide in your holy water, choke
