

# High By The Beach

Banshee

High-igh-igh-igh  
High-igh-igh-igh

Boy, look at you, looking at me  
I know you know how I feel  
Loving you is hard, being here's harder  
You take the wheel  
I don't wanna do this anymore  
It's so surreal  
I can't survive  
If this is all that's real

All I wanna do is get high by the beach  
Get high by the beach, get high  
All I wanna do is get by by the beach  
Get by, baby, baby, bye bye  
The truth is I never bought into your bullshit  
When you would pay tribute to me 'cause I know that  
All I wanted to do was get high by the beach  
Get high, baby, baby, bye bye

Boy, look at you, looking at me  
I know you don't understand  
You could be a bad motherfucker  
But that don't make you a man  
Now you're just another one of my problems  
Because you got out of hand  
We won't survive  
We're sinking into the sand

All I wanna do is get high by the beach  
Get high by the beach, get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye bye  
The truth is I never bought into your bullshit  
When you would pay tribute to me 'cause I know that  
All I wanted to do was get high by the beach  
Get high, baby, baby, bye bye
