

## I trusted you.

Banshee

I trusted you  
I trusted you

I feel like I'm in an exhibit  
Am I part of some collection?  
Cause I don't feel like a person  
And I woke up, don't know what happened

I must have blacked out  
I lost myself  
She wandered off to another realm  
Became a shell of my former self  
But worst of all, I trusted you  
I trusted you  
You have the kindest eyes  
But they don't see a human anymore

I told you everything and  
I thought that you could hear me  
But I think you were only looking  
Cause I'm so sick of screaming

I must have blacked out  
I lost myself  
She wandered off somewhere in hell  
I let her down  
I let her down  
But worst of all, I trusted you  
I trusted you

You have the kindest eyes  
But they don't see a human anymore  
I trusted you

(I can't believe I trusted you)  
You have the kindest eyes  
But they're looking through my window  
I trusted you  
I trusted you  
I trusted you

You have the kindest eyes  
But they don't see a human anymore  
I trusted you  
I can't believe I trusted you  
I can't believe I trusted you
