

## NEVER FORGIVE

Banshee

In the land of the plague and the sickness  
I pray for forgiveness... Or play along, is it?  
I seek purveyors that glisten  
What's missin'? I risk perversion with ign'ance

Swear on the sky, swear on the woods  
Never again, never again  
Swear on the sky, swear on myself  
(I'm supposed to pray for forgiveness, what is this?)

(I'm supposed to pray for forgiveness, what is this?)  
Never again, never again  
(I'm supposed to lay in the sickness, what is this?)

Never again  
Swear on the sky, swear to myself  
Snap your neck  
Run for your life or try  
But it's not fucking witchcraft
