

## PICTURE THIS?!

Banshee

Picture this  
My gun, your lips  
'Cause I got a whole list  
Yeah, I got a whole list

My knife, your ribs  
Sit and run, see a bitch  
'Cause I got a whole list  
Yeah, I got a whole list, yeah

Gotta fill the gas  
Then pick up the guest  
Swingin' death sentences  
In a white dress  
I've got your address  
Get ready 'cause you're next  
I'm coming for your neck  
Yeah, I'm coming for your neck

Long nails, long hair  
Long dress, long blade  
Long list, long minus one  
I just killed another one
