

## Worm

Banshee

Witch Gang

Break the skin, go in slow  
Twist the blade, gaping hole  
Turn you inside out and roll  
Turn you inside out and roll  
Swore on God, but he's dead  
You're a lying piece of shit  
Watch what happens when you flinch  
Watch what happens when you flinch!

Throw him in the back of the trunk  
Drive this bitch straight off Mulholland ya  
Now he belongs to the worms  
Crushed by the table as it turns

I would kill a man  
For the chance to kill a man  
Dump his guts out like a blunt  
Then roll him up and smoke the skin

Break the skin, go in slow  
Twist the blade, gaping hole  
Break the skin, go in slow  
Twist the blade, gaping hole  
Turn you inside out and roll  
Turn you inside out and roll  
Swore on God, but he's dead  
You're a lying piece of shit  
Watch what happens when you flinch  
Watch what happens when you flinch

I'ma break your gaze  
Like a laser through your brain  
I'm sick of being on display  
Carve my name into your

I would kill a man  
For the chance to kill a man  
Gut him out and wear his skin  
They'd never fuck with me again  
They'd never
